Dear Sir - Will you please tell me  
whether any of the exercises con-  
nected with the unveiling of the  
busts of Susan B Anthony and  
Thomas Paine are open to the  
public? May any part of the  
ceremony be heard or seen  
from the outside? My friend  
and I have been hoping to  
attend this important event  
giving public recognition to  
two such distinguished leaders  
and trust there is some way  
of securing a couple of tickets -

if such are necessary - or  
admission to the grounds  
if program is conducted  
out of doors.

Thanking you for  
the courtesy of a reply, I am

Yours sincerely
